

# Sofclear COLOURS RETRO

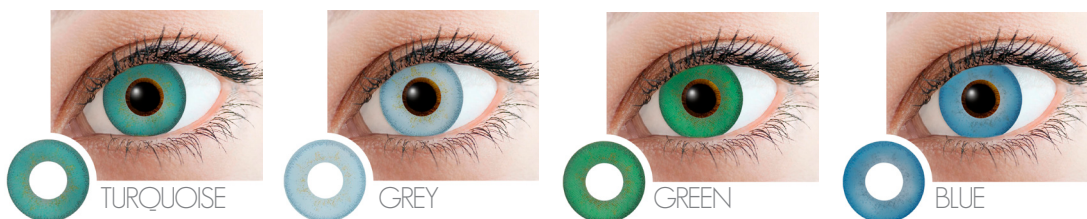

## Cosmetic Contact Lenses, the way they used to be.

Remember the days when cosmetic lenses completely changed the colour of your eyes. No fancy designs or gimmicks. Just the eye colour you wanted.

Is it blue eyes you desire? Or green eyes? Maybe you have dreamed of misty grey eyes. Whatever your desire Sofclear Colours Retro range will transform your eye colour and give you an entirely different yet natural striking appearance.

Specially formulated with a unique combination of colour pigments, Sofclear Colours Retro range is designed to cleverly mask your iris to allow the lens colour to fill your eye. Choose the eyes you've always wanted with Sofclear Colours Retro range.

It's not just about the look. With all Sofclear contact lenses, comfort is everything. With radial edge technology providing the thinnest of edges, you will go a long way to find a more comfortable contact lens anywhere in the world.
