CONDITIONS OF SALE AND WARRANTY INFORMATION

MANUFACTURERS WARRANTY

Gelflex Laboratories guarantees that any lens manufactured by us will be free from any material and manufacturing defects for a period of one month from the original invoice date. All claims under this warranty require the return of the lens for inspection. If found to be faulty a replacement lens will be supplied at no charge.

PER CASE OPTION

Lenses may be exchanged for parameter changes within **4 months** of the original invoice date. Lost lenses, surface deposits or changes to the lens colour are not covered by warranty. A limit of 1 exchange per eye for damaged lenses applies. Thereafter, a 50% reduction of the non-warranty per lens price applies within the warranty period. All damaged lenses must be returned.

SOFT LENS EXCHANGES

Lenses may be exchanged for parameter changes within **4 months** of the original invoice date. The 1st exchange is no charge, 2nd & 3rd exchanges incur a surcharge of \$15.00, any further exchanges will be charged at \$30.00. Lost lenses, surface deposits or changes to lens colour are not covered by warranty.

RGP LENS EXCHANGES

Lenses may be exchanged for parameter changes within **4 months** of the original invoice date. The 1st exchange is no charge, 2nd & 3rd exchanges incur a surcharge of \$15.00, any further exchanges will be charged at \$30.00. Except for the Limbal Lift series where **ALL** exchanges incur a \$15.00 surcharge. Lost lenses, surface deposits or changes to lens colour are not covered by warranty. Exchanges do not apply if the lens can be adjusted.

RGP LENS ADJUSTMENTS

UNDER WARRANTY OPTION No charge for adjustments including increasing edge lift, extra polishing of edges or power adjustments of up to plus or minus 0.75D.
NON-WARRANTY OPTION This option does not entitle the practitioner to any adjustments, exchanges, credits or upgrades to the warranty option aside from the Manufacturer's Warranty.

MODIFICATIONS, TINTING & CLEANING

Modifications to custom lenses, tinting and cleaning are only carried out on lenses manufactured by Gelflex Laboratories. Lenses that have been worn cannot be tinted. Lenses cannot be exchanged for variations in tints, but normal warranty exchanges apply. No credit will be issued for non-standard, cosmetic or opaque tints when claiming unsuccessful patient.

UNSUCCESSFUL PATIENTS

Unless otherwise specified, a 90% credit applies to the original price only (excludes remake surcharge) for unsuccessful patients for soft and RGP lenses purchased with warranty within the **4 month** warranty period. Exceptions include Linear Plus Bifocal and Limbal Lift (E, K and G series) lenses where a 50% credit applies.

All lenses including remade lenses must be returned within the warranty period when claiming unsuccessful credit. Failure of a patient to collect a lens or lenses is not a reason for credit.

GELFLEX ORTHO'K DESIGNS

Lenses may be exchanged for parameter changes within **4 months** of the original invoice date. The 1st exchange is no charge, with the second exchange incurring a \$40.00 material and handling surcharge. A limit of 1 exchange per eye for damaged lenses applies. Thereafter, a 50% reduction of the non-warranty per lens price applies within the warranty period. All damaged lenses must be returned. A 50% credit applies excluding remake surcharges for unsuccessful patients within the warranty period.

ACL ORTHO'K DESIGNS

Emerald Standard range: Lenses may be exchanged for parameter changes within **4 months** of the original invoice date. The 1st exchange is no charge, with the second exchange incurring a \$40.00 material and handling surcharge. Damaged lenses incur a \$60.00 surcharge per lens within the warranty period. All damaged lenses must be returned.
A 50% credit applies, excluding all surcharges, for unsuccessful patients within the warranty period.

Topaz – High Minus Design: Lenses may be exchanged for parameter changes within **4 months** of the original invoice date. The 1st exchange is no charge, with the second exchange incurring a \$50.00 material and handling surcharge. Damaged lenses incur a \$60.00 surcharge per lens within the warranty period. All damaged lenses must be returned. No credit for unsuccessful patients.

Sapphire – Toric Design: Lenses may be exchanged for parameter changes within **4 months** of the original invoice date. The 1st exchange is no charge, with the second exchange incurring a \$50.00 material and handling surcharge. Damaged lenses incur a \$80.00 surcharge per lens within the warranty period. All damaged lenses must be returned. No credit for unsuccessful patients.

High E - Low Myope Design: Lenses may be exchanged for parameter changes within **4 months** of the original invoice date. The 1st exchange is no charge, with the second exchange incurring a \$50.00 material and handling surcharge. Damaged lenses incur a \$60.00 surcharge per lens within the warranty period. All damaged lenses must be returned. No credit for unsuccessful patients.

ROSE K XL

Lenses may be exchanged for parameter changes within **4 months** of the original invoice date with a maximum of three exchanges (which includes one exchange for patient damage per eye). All damaged lenses must be returned. ALL exchanges incur a \$20.00 material and handling charge. A 50% credit applies for unsuccessful patients, excluding any surcharge for remakes.

DISPOSABLE LENSES

All disposable lenses are supplied with manufacturers' warranty. Gelflex Laboratories will accept unopened packs of lenses for credit or exchange up to one month from invoice date. Lens packs opened, marked or damaged cannot be accepted for credit. All requests for credit or exchange must include a copy of the original invoice.

EXEMPTIONS: 90 PACKS AND EXTENDED RANGE MONTHLY SPHERES AND TORICS ARE NOT ELIGIBLE FOR EXCHANGE OR RETURN.

SOLUTIONS

All solutions will have a shelf life of at least 6 months.

PRODUCT RETURNS

All freight charges incurred for product returns are the responsibility of the customer unless the return is due to a faulty product. Any product returned to Gelflex Laboratories for any reason remains the liability of the customer until received by us. Gelflex Laboratories advises sending goods by certified mail, or if sending via courier, to obtain signed receipt of delivery to protect the customer from loss of product. Customers that return goods via the NOD distributor group used by Gelflex Laboratories should not incur any charge for returns.

DISCOUNT TERMS

A 10% early payment discount is applicable for all accounts paid in full on or before the 10th of every month. This applies to all products where no other discount has been granted.

ACCOUNTS MUST BE PAID IN FULL TO RECEIVE THE EARLY PAYMENT DISCOUNT. Normal trading terms are 30 days from statement date. Settlement discounts will become void if payment terms are exceeded. We accept payments made by direct deposit, cheque and all credit cards. (2.5% surcharge on Amex.)

MINIMUM ORDER DELIVERY/HANDLING CHARGES

A delivery/handling charge of \$4.00 (excl. GST) applies per shipment.

Exceptions:

All orders under \$50.00 (excl. GST) will incur a delivery/handling charge of \$8.00 (excl. GST). Lens modifications under warranty and trial lenses are exempt of any delivery/handling charges. Delivery/handling charges for solutions is calculated per shipment depending on the overall weight.

Title of all goods remains with Gelflex Laboratories until payment is received in full. Gelflex Laboratories reserves the right to charge interest at our banks prevailing overdraft interest rate for all money owed in excess of normal trading terms. Conditions of sale are subject to change without notice. GST will be added to the invoice where appropriate.
